Ooni dem who gutta time f' sti lorng time ulla hoel dae en sum touriss who walk douwn f' look orn den start. Dar beach ess big-un en ess good side f' wi ketch a cord. I hoopen myse kussen Ben gwen teck his board en orl uklun boys gwen ell share ett. Orl ucklun bigga boys hawa look ouwt f' dem little sullun when wi g' narwi – gutta fraidy rip dair en ef yoo nor teck care ell teck yoo right ouwt t' sea. Nawa teck ucklun lorng f' getta bottum. Hardly wi se dair en I ya Ben bellowen ooda me from up top. Ess true he dar louwd, hi ell waek a daed! I look up ar hill en plenty dem kummen douwn. Ess kine-a procession – hadda little sullun, myse Mum, Aunties, Poppa en Nan en dem new sullun – orl carten a thing lorng f' dem. Ell thort wi gwen f' one month nort one dae! Semme-a-thing d' peace een Anson Bae se dun! I run jump eena water en narwi ouwt lorng wae, moos gen dar point, en den tun rouwn head back een. Yoo nawa bin see d' little sullun drop dem stuff en get eena water fars ess wae wi did! Ess hottun en wi se ready. Orl ucklun narwi, diwe en splash bouwt. I diwe unda water en swim lorng en grarb Sally orna laeg d'bargenen I ess shark. Shi belloh en jollineer breech right ouwta water f' fraed. Orl ucklun tickle furret but shi nawa si ett funny. Doomine shi soon kum gude en orl ucklun plae t'gadda gude. Arfta couple a hour, orl ucklun se futtoo so wi g' up orna sairn en flop douwn orna tuwle. Dem little sulluns baly se rumble en dem g' orf my-oe gen Mum. I kine-a thirsty en hungry too so I quite glaird when Aunti Rose call ucklun f' kum itt.

Semmes-a-thing Dad en dem maen nawa ketch much fish. Mum sen ucklun boys o'er gen dem lorng f' cuppa tea en piece a kaek f' dem. When wi se do dar wi thort wi might climb up gen ar oel army hide ouwt orn ar hill. I thort ess easy-un ef yoo kum douwn dar ridge, but ef yoo ell climb semmes a billy gott yoo ell get dair from d' bottum too. Aunty Rose arsa ucklun tek Timmy lorng f' ucklun too. Wi nawa wont, but thort we batta do ett bembair wi ketchet....myse Mum gutt dar look orn hers faes! Enihouw – too much ucklun f' orl teck dem tea krors so Billy tull foot wi nor sen Timmy en sum dem younga wun lorng f' uklun f' goe. Dem fishen right rouwn orna point orn dar tadda side en ess lorng walk f' g' dair en up dar hide. But Aunty Jo yurret en

Ben teck nadda box gutt een besket f' dem itt. Timmy teck his time en keep his haed douwn looken een dem stoen f' thing. I must tull hi fine sum treasure too – I kine-a sorry I nawa bin lookorn too. Wun side wi goe krors ess kine-a sleppry wun. I was flat ouwt starnen up lornng f' dem tea – ess wun balansen act let I larna you! Sally did dairw o'er en scratch hers knee. Tommy se kine-a stig a eye furret en hi teck orf krors f' halp ett en teck d' charns f' hoel hers harn tull shi se krors. I wolf wistle ooda ett!

Enihouw wi maek ett dair en giwe dem dems tea. I look een dems bucket but nor dar much een. Had a few parrot fish en wun p'oew. Sally oo en ah krors dar p'oew en houw pretty ess, but Shelley larna her wae kar do f' itt en wae dem gwen cut ett up f' baet. Shi thort dars a waes! Dad en dem jess kummen orna kingys when wi si wun turtle kummen uckluns wae. Uncle John se belloh en teck up sum small stoen en heawe ett gen ett f' get ett start wae. Ben grarb wun stoen en sise ett gen ett too en finally tun rouwn en g' back ouwta sea. Kar do f' haw ett bouwt when yoo tryen f' ketcha fish – dem ell scare dem fish wae. Dad larna ucklun start – wi too noisy en gwen fraed dem fish more den dar turtle so wi start back gen ar beach.

Orna wae back ess me d' wun fly douwn orn dar sleppry side. I rip wun hoel een myse shorts – jess as wael I gutta drors orn en nuthen se forl ouwt! Enihouw wi soon krors ett en rouwn dem stoen back gen ar beach.

Mum tull nor gut time f' wi climb dar ridge koss wi gwen soon itt, so wi decide f' g' narwi gaen tull se time. Se real hottun by den en dem gairl teck uckluns stuff orfa beach up unda wun pine giwen a little shaed. Hadda sandwich, pilhi, plun enna laf o'er kaek f' lunch. Mum putt sum back een ar barsket f' Dad en dem maen when dem kum back o'er gen ucklun. Orl ucklun se hungry en dem wettels nawa lars lornng.

Dem little sullun thort dem gwen kum lornng f' ucklun, but I tulla dem dem ent f'. Aunty Jo tulla dem dem hawa sti lornng f' dem – too steep dair f' dem goe. Shi larna dem shi ell plae wun gaem lornng f' dem orna sairn, ulla halp dem build wun sairn castle. Ruth kick up but nawa pae

Shi tunnen curvy wun en I thort myse unka ena aunt gwen hawa keep a eye orn side shi houw wile. Sally d' saem aege en torla, but ess sorf en curvy too. Ess steepun climben up ar ridge. Wi se sweat en dusty by time wi se get dair. Dar view ess real goodun, en wi orl sti dair short while looken ouwta sea. Hard f' imagine be-en wun soldier ya en hawen a sti dair looken f' enemy plaen ulla boet cummen. Dem small boys lorng f' ucklun d'bargen dem ess soldier en grarba stick f' shuw through dem slot maeken ouwt ess gun. Too hot f' sti dair too lorng en wi se soon climb back douwn en g' back o'er dar beach f' g' narwi gaen. Ben did teck his board but had no suff so hi lubbee up top lorng f' dem car.

Fore wi se nohwett dae se dun en I si Dad en dem tadda maen cummen back krorsa stoen karly-en dem bamboo rod. Dem sti douwn itta lunch den wi pack up. Orl ucklun se futtoo, en wussa still by time wi se get up top carten uckluns stuff. Dem little sullun se nairsy f' tired en myse Mum enna aunty tull ess bas wi start hoem en nor sti ouwt dair f' suppa too. Jess es wal koss dar bucket f' Dads nor gutt dar much fish een. Dem nawa skunk, but jollinear!
